**Q10** To which part of the Local Plan does this representation relate?

Paragraph number	<b>225</b>
Policy number	<b>36</b>
Policies maps	<b>LAA1098</b>

**Q11** Please set out the changes that you consider are necessary to make the Northampton Local Plan Part 2 Submission Draft document legally compliant and / or sound including revised wording of any policy text, and reasons why the proposed change would make it legally compliant and/or sound. Please be as precise as possible.

To cooperate with the Parish Council and other agencies on addressing impact of traffic movements within the reports that provide evidence of impact on Great Houghton in order for the plan to be positively prepared and justified.

To cooperate with the provision of information regarding upgrade of existing infrastructure known as 'The Green' from the proposed link to Minor junction

To identify how Issue with single track road, extremely difficult for vehicles passing will be addressed in order to be justified and effective

To identify how Issue with pedestrian safety, no footpaths currently, but the existing section of The Green within the development is being upgraded for foot / cycle movements. This should extend to the full extent of The Green in order for the plan to be positively prepared, justified and effective.

To provide assessment of air quality impact within surrounding areas. The significant increase in anticipated vehicular movements will have a dramatic effect on the local residents, passing cyclists and general environment.

To provide assessment of safety linked to potential additional traffic movement through Great Houghton and its impact on surrounding network of routes very popular with cyclists and walkers.

To specify measures to 'mitigate the impact of additional traffic generated by the development' as stated in Policy 36, that must be taken in order for the proposed submission to be considered sound.

A formal 7.5 tonne weight limit must be introduced preventing HGV's from travelling through the village between the A428 Bedford Road and the B526 Newport Pagnell Road before Policy 36 could be considered as positively prepared or justified.

The Bedford Road /High Street junction must be improved to ensure safety for both road users and pedestrians alike.
