Q11 Please set out the changes that you consider are necessary to make the Northampton Local Plan Part 2 Submission Draft document legally compliant and / or sound including revised wording of any policy text, and reasons why the proposed change would make it legally compliant and/or sound. Please be as precise as possible.

The process to object to this plan is not consistent with objection process for general planning applications. Many objections to this plan have been rejected because of the criteria that have been specially put in place. These criteria for complaint are denying the general public their voice.

Q12 Do you wish to comment on other parts of the draft Local Plan? **Yes**

Q14 Please set out the changes that you consider are necessary to make the Northampton Local Plan Part 2 Submission Draft document legally compliant and / or sound including revised wording of any policy text, and reasons why the proposed change would make it legally compliant and/or sound. Please be as precise as possible.

There is no consideration in this plan with regards to local amenities, no public transport, no doctors or dentist surgeries, no shops. You are asking the public to justify their objections. Yet this consultation does not justify 800+ houses to be built on this land. It does not take into consideration how the traffic generated will affect the village of Great Houghton by people wanting to take the easy route through the village to the A428 Bedford Road.
