**Q11** Please set out the changes that you consider are necessary to make the Northampton Local Plan Part 2 Submission Draft document legally compliant and / or sound including revised wording of any policy text, and reasons why the proposed change would make it legally compliant and/or sound. Please be as precise as possible.

I object to the safeguarding of the former Northampton- Market Harborough railway line in the Brampton Valley for future transport use.

The Brampton Valley should be recognised as an important green infrastructure corridor, as identified in the adopted West Northamptonshire Joint Core Strategy 2014 (Figure 6), not a transport corridor. It remains a quiet area of significant local landscape value (formerly a Special Landscape Area), with significant biodiversity, historic, recreational and tourism value. Part of the line is run as a recreational route for the Brampton-Pitsford Railway (steam and heritage diesel tourist/ museum railway) and it is part of the national Sustrans cycle route. It is also heavily used by local walkers. The area includes as a number of nationally designated historic sites, including Boughton Hall registered park and garden, Lamport Hall and the Saxon Church at Brixworth, the setting of which would be affected by development in the valley.

Thus, I consider that inclusion of the route as a future transport link is unsound as it has not been justified and is not consistent with national policy with respect to the policies in the NPPF relating to the natural and historic environment, as set out in Sections 15 and 16.

Recommendations

The inclusion of the reference to the Northampton-Market Harborough in Policy 30 should be deleted.
