Subject: Northampton Draft Local Plan

Paul,

Further to our conversation at the South Midlands Growth Forum – please find attached a spreadsheet outlining an initial assessment of the implications of the sites included in the plan for our water and water recycling infrastructure.

Please note that where information has not been provided relating to the scale of growth – we have been unable to provide comments relating to water infrastructure.

I hope this of help – should you have any queries please let me know.

Regards,
Stewart Patience
Spatial Planning Manager
