This site is extremely close to the wildlife areas and the private fishing lakes. The site would significantly and negatively impact the peaceful natural area which many of the local residents make use of.

This area is rich with natural beauty and has public footpaths running next to it, which are frequently used by local residents for walking/rambling, cycling etc. This development would not only hinder the peaceful setting but also disrupt the ramblers and walkers.

I have currently purchased a new build, stone construction, with Taylor Wimpey at Dragonfly Meadows.

I purchased this £500,000 5 bedroom house due to the key feature being that it is situated on the edge of Dragonfly Meadows and benefits from views over Nene Valley Country Park.

For a lot of the many new residents who purchased specifically for this reason it would be a significant blemish to the reason for buying here.
