Q4 Which sites that have been assessed as being suitable for further consideration (Appendix A) do you think are most appropriate for development? Please state site number(s) – e.g. LAA0999 - and tell us why you think each site is most appropriate **Respondent skipped this question**

Q5 Which sites that have been assessed as being suitable for further consideration (Appendix A) do you think are least appropriate for development? Please state site number(s) – e.g. LAA0999 - and tell us why you think each site is least appropriate

LAA1100 – Hill Farm Rise

This site is a natural wooded area and the parish council would be particularly concerned about loss of habitat and wildlife, which includes the presence of a badger set and deer. The site is also very close to a railway tunnel making any development more complex.

LAA1009 and LAA1102 together with surrounding sites (LAA1104, LAA1025, LAA1112) raise concerns in relation to infrastructure. The traffic impact on Rowtree Road and Towcester Road will be considerable, particularly as any development is likely to come after the development of the Northampton South SUE and the proposed SRFIs. Provision of secondary school places and health services will also need consideration.

Q6 Which sites do you think should be protected from development? Please state site number(s) – e.g. LAA0999 and tell us why you think each site should be protected from development

LAA1100 - Hill Farm Rise for the reasons stated above.

Q7 Are there any sites that have been assessed as not being suitable for further consideration (Appendix B) that should be? Please state site number(s) – e.g. LAA0999 - and tell us why you think each site is suitable for further consideration **Respondent skipped this question**

Q8 Are there any sites which you think should be used for other purposes? Please state site number(s) – e.g. LAA0999 - and the best use for the site, e.g.: Residential Employment Retail Community facilities Open or green space Waste Other (please specify) **Respondent skipped this question**

Q9 Are there any other sites you think are suitable for the Council to consider in preparing the Local Plan Part 2? Please give further details, and submit details by email using the Call for Sites form available on the Council's website **Respondent skipped this question**
