Q4 Which sites that have been assessed as being suitable for further consideration (Appendix A) do you think are most appropriate for development? Please state site number(s) – e.g. LAA0999 - and tell us why you think each site is most appropriate

LAA0629 – British Timken (Old Duston Ward)
LAA0910 – 379 Harlestone Road (New Duston Ward)
LAA0720 – Ryland Soans Ford Garage, Harlestone Road (New Duston Ward)
LAA0719 – Car Garage Workshops, 409 Harlestone Road (New Duston)

Whilst Duston Parish Council has not formally adopted a position regarding the development of these sites, members of the Council have discussed the issues around the development of these and other areas identified for development in and around Duston, and no objections were raised.

No additional sites have been identified, and no sites have been suggested that are currently listed as not being taken forward for further consideration.

I would like for there to be closer consultation between Northampton Borough Council and Duston Parish Council on this, and future planning applications.
