Subject: Northampton Local Plan-Part 2

Dear Paul,

As the Local Borough Councillor for West Hunsbury Ward, would you please accept my following comments on the above Northampton Local Plan-Part 2.

It must be stressed that I have no objection in principle to the above fore mentioned, but I would request a modification/amendment to be considered and put in place before submission and subsequent ratification.

I would request that the land on the Policies Map immediately adjacent to Policies LAA 1140, LAA 1025, and LAA 1122, should be registered as Classified and not Unclassified as the map illustrates.

This piece of land has football pitches on it which are still in use, and is also used as a Community Space for sporting events for the immediate and wider Community at large and should be protected as such.

Therefore I would strongly urge that the Local Plan - Part 2 for this piece of land is modified to read as Classified and not Unclassified.

All the best,

Cllr.Brian Oldham
West Hunsbury Ward
Chairman
NBC Planning Committee
