**Q5: Do you think there are other objectives that should be included?**

Objective 1 - Connections

This objective should be made firmer by stating which sustainable transport modes are most appropriate for Northampton.

In the last sentence remove the reference to rural areas.

Objective 10 - Climate change

Add an addition bullet that supports the climate change measures being promoted through the draft Northampton Low Emissions Strategy.

---

**Q7: Do you agree with a residential density of 40 dwellings per hectare outside of the sustainable urban extensions, with higher densities in the town centre, other centres and along key transport corridors?**

Dwelling should not be located too close to key transport corridors as the populations residing there will be exposed to poor air quality issues.
